Lazy Lenny

This is Lenny.

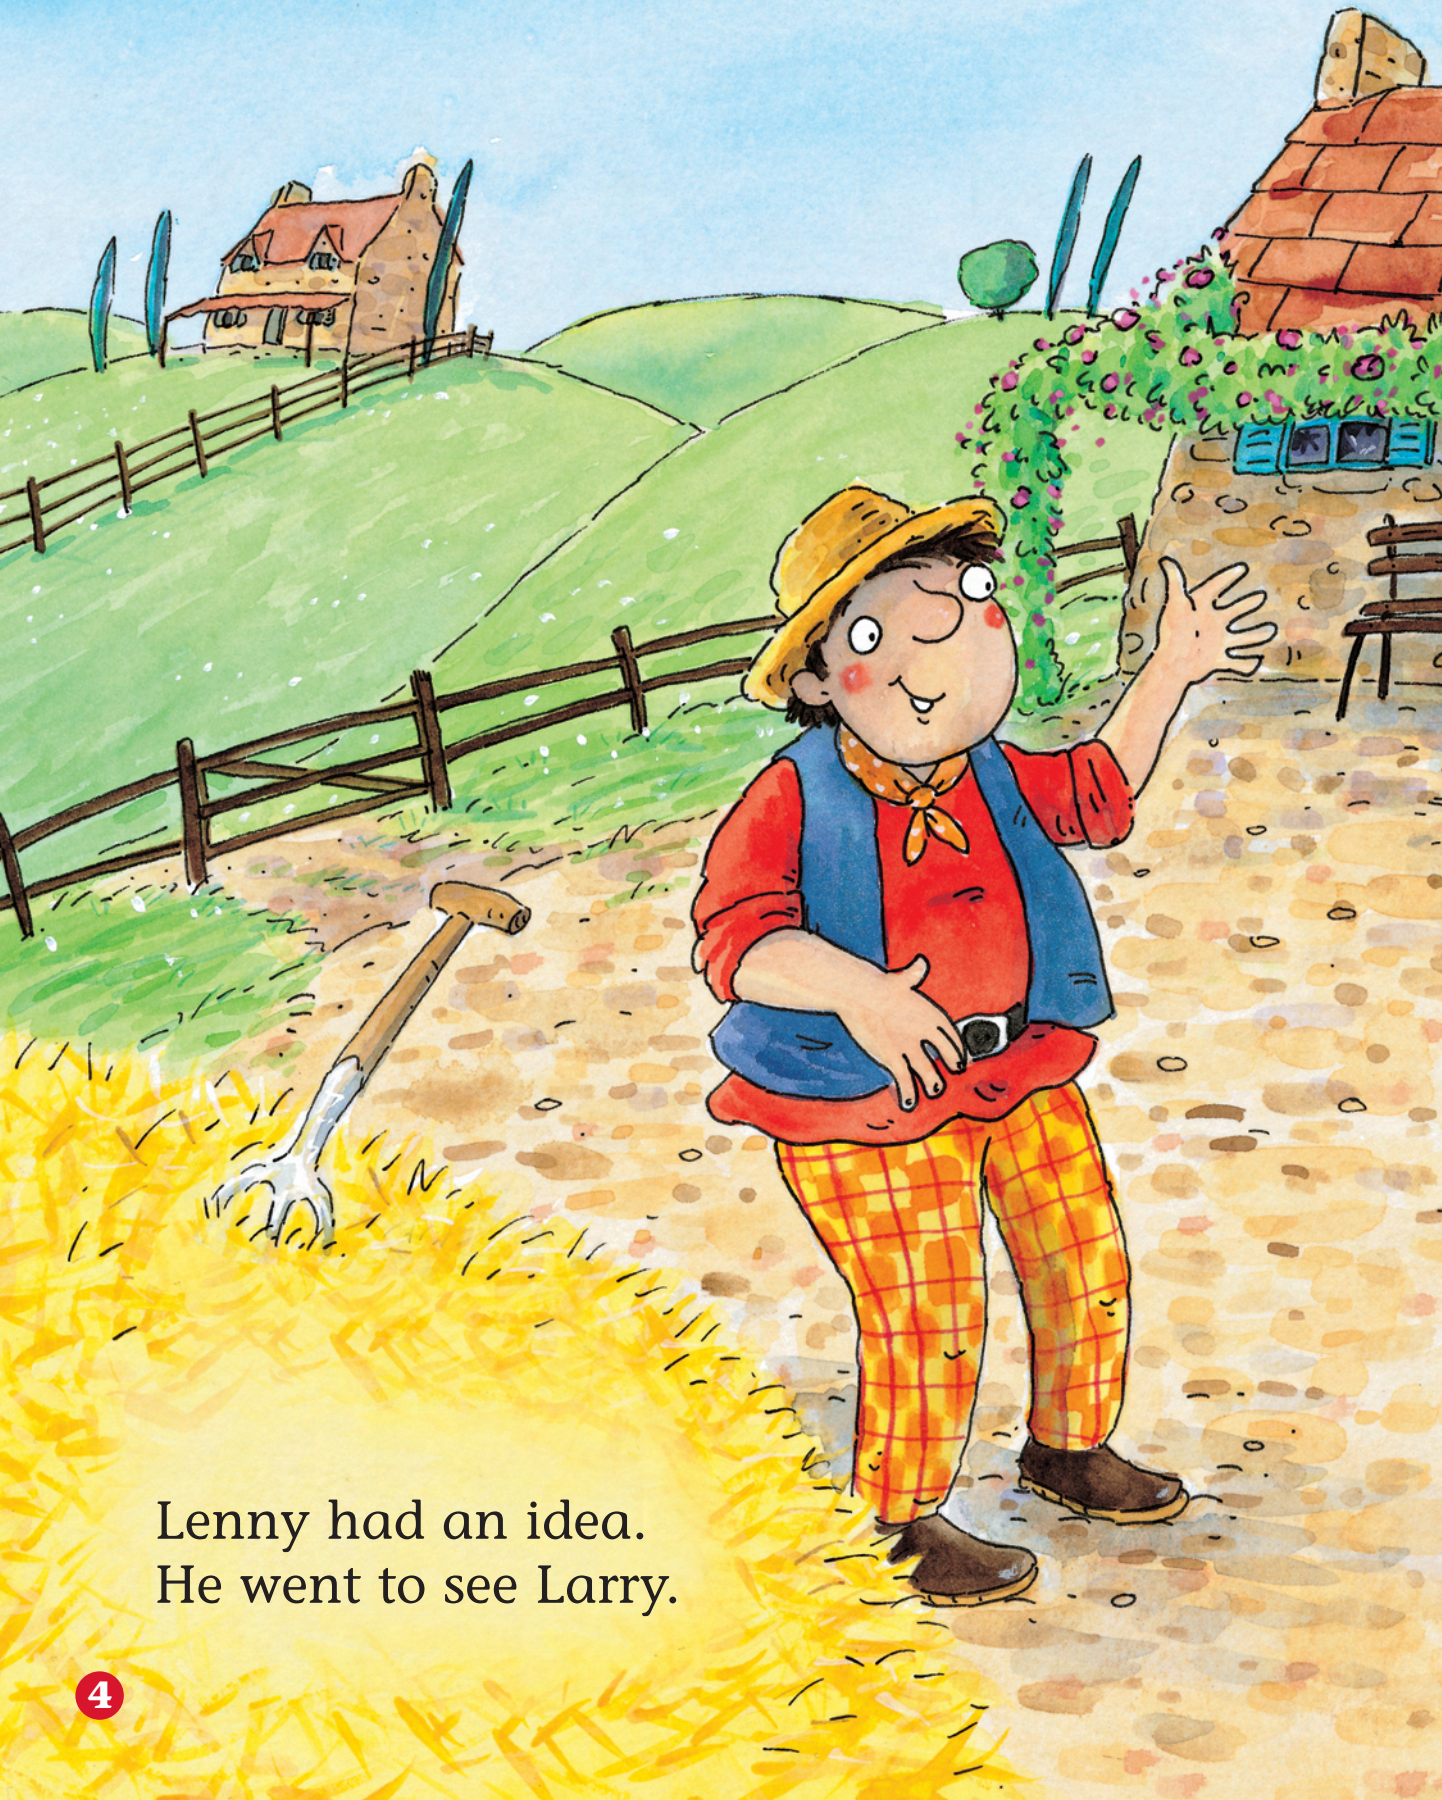

This is Lenny's goat.

Every day, Lenny fed the goat.
But Lenny did not like hard work.
He was lazy.

I don't like hard work.

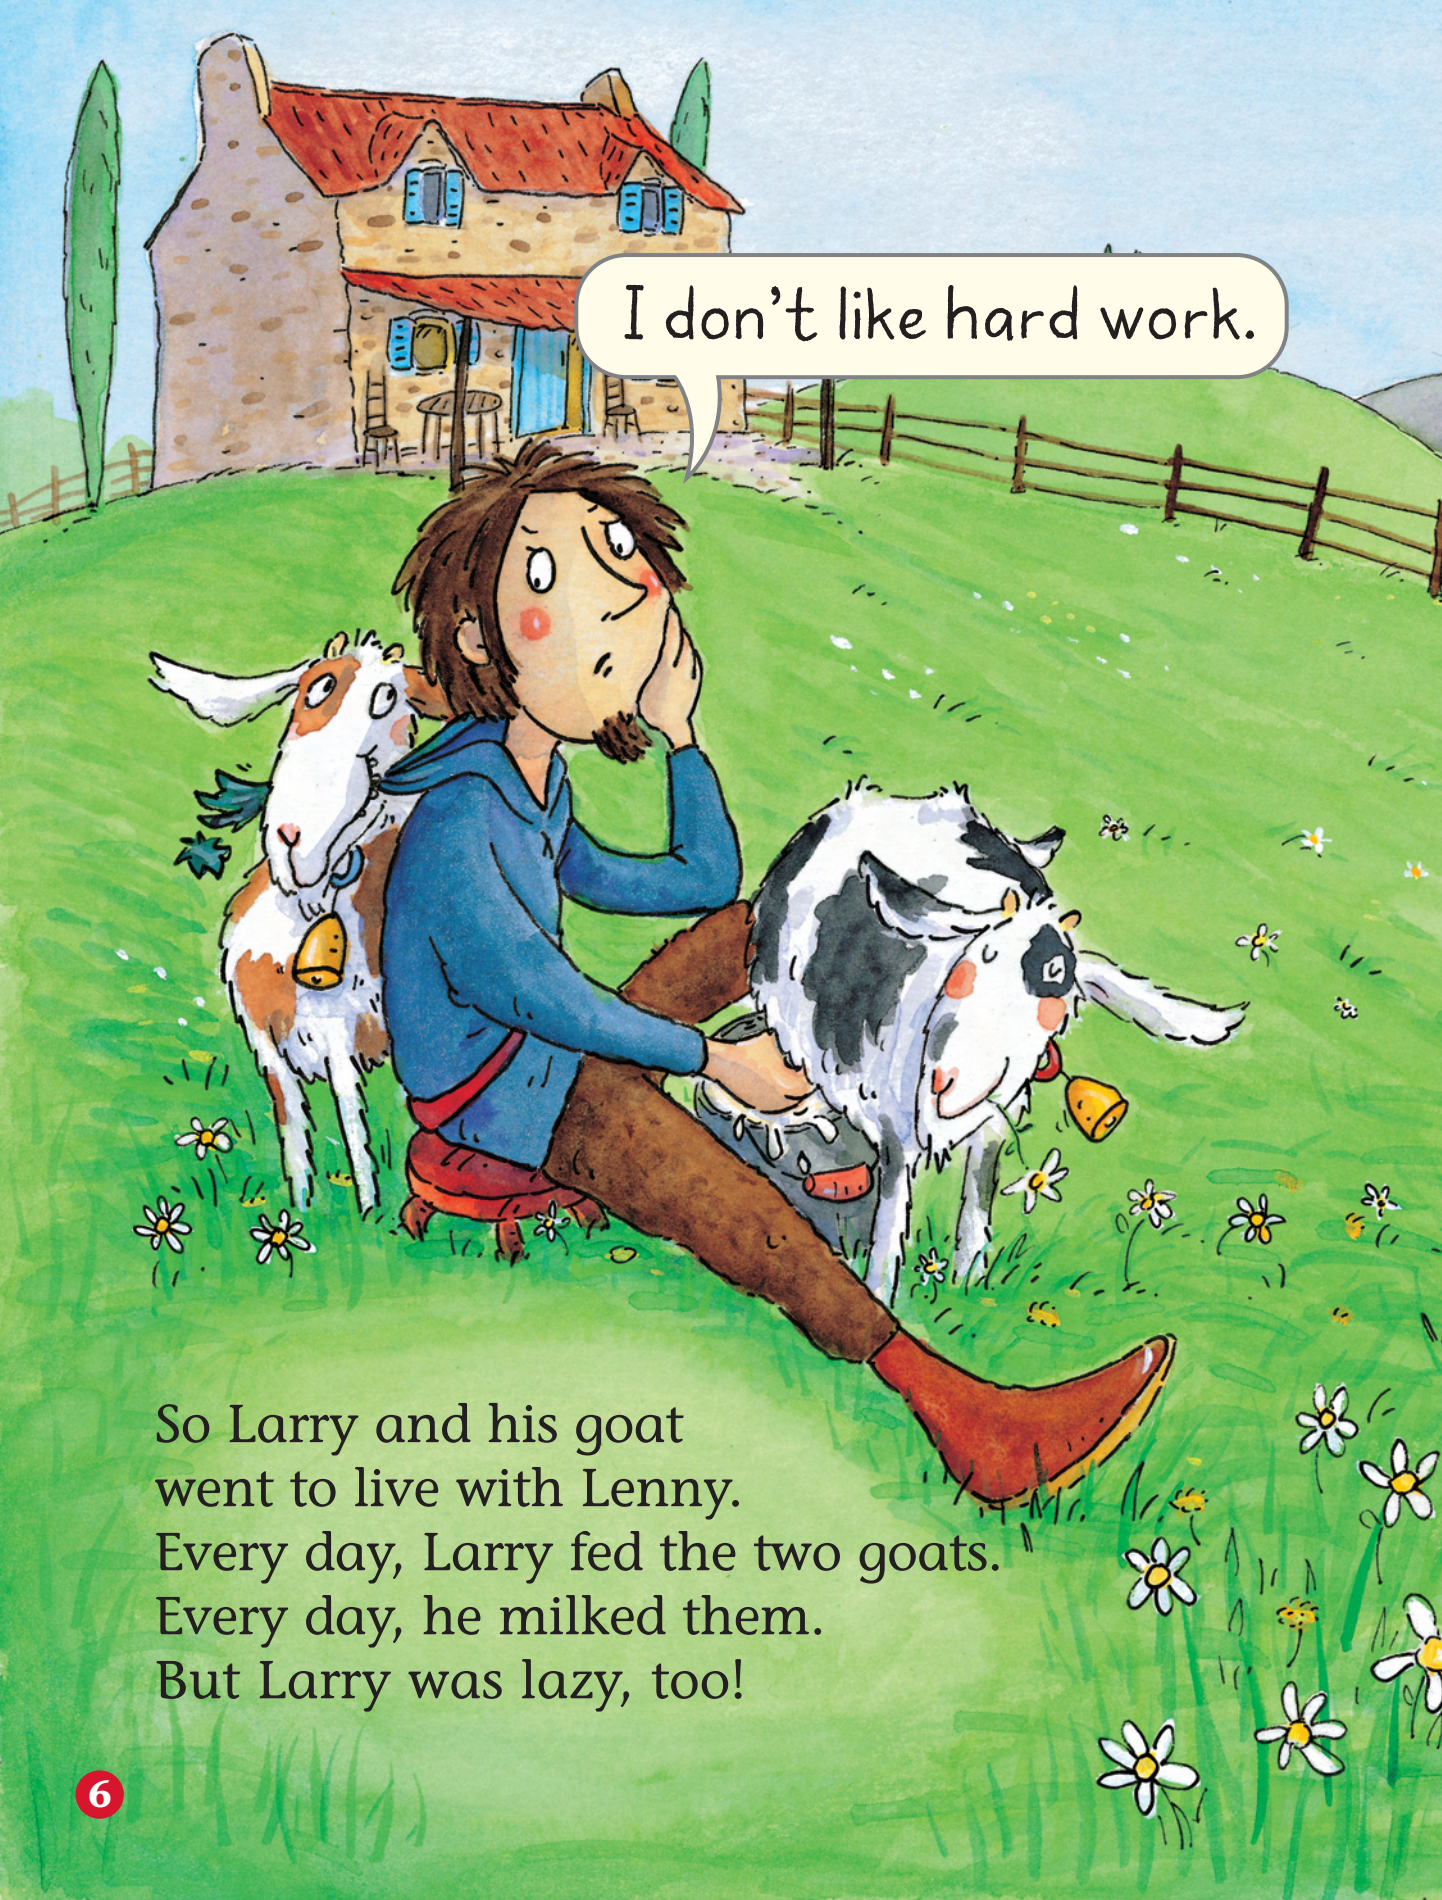

Lenny had an idea.
He went to see Larry.

Lenny said, 'You have got a goat and I have got a goat. You can live with me in my big house. Then you can look after two goats!' Larry said, 'That's a good idea.'

I don't like hard work.

So Larry and his goat
went to live with Lenny.
Every day, Larry fed the two goats.
Every day, he milked them.
But Larry was lazy, too!

Larry had an idea.

He said, 'We can sell the goats.

We can buy some bees!'
