This course is for teachers of English working with very young learners, children from 3 to 6 years old. Throughout the course, you will reflect on how language-related activities **develop the whole child, socially, emotionally, cognitively, physically** and in terms of communication and creative development. This course will cover the following areas:

- The principles of early childhood language education
- Child development **theories and good practice** in pre-primary, or kindergarten, contexts
- **Classroom management** and **setting up routines**
- Selecting and using **music, song, rhyme and rhythm**
- **The sequencing** of activities and games
- Selecting, adapting and using **stories**
- Developing **mathematical concepts** through English
- Keeping records and looking at **progression**
- Submitting a **project plan for tutor for feedback**

There are **eight units**. In the first one you will get to know the course, the learning platform, your tutors and the other participants. In the next six units you will explore the **principles of early childhood language education** in relation to young children learning languages. In unit 8 you will prepare for your **final assessed project**, which will help you put everything you have learnt about teaching English in pre-primary education into practice.

The NILE Institute is committed to offering the **best quality** in language teacher training and **provides tutorial contact** during the online course. The participants will receive **allocated tutor interaction** and **feedback in each unit** they take.

NILE Online courses are **accredited and rigorously assessed** against a pedagogical framework
They were shortlisted for the 2015 ELTons Award for Digital Innovation
